We don't want you to worry about the ProstaGenix cost when you already have to worry about your prostate problems. Check out our order page to see how you can get the best deals. We recommend you purchase the 3 bottle deal because we will offer two bottles free. That means that you have 5 months covered! Since **Prostagenix** is made of all natural ingredients, it's safe to continue using. Keep in mind that results may differ for everyone so we definitely recommend that you allow enough times for the **supplement pill** to build up in your system.
